

MONDAY RAMBLERS SIGN-UP SHEET

We are not a formal organization and we have no dues. We are a group of people who enjoy hiking together in the hills, mountains, and beaches of the Olympic Peninsula, and its nearby neighborhoods. We welcome anyone who shares our enthusiasm for hiking to join us. To improve communication and for safety reasons, the leader of the hike needs your name, email address, phone number, emergency contact, and emergency phone number.

Please stay within the group, between the leader and sweep. Let the leader know if you're checking out and heading back earlier than the group. If you have medical conditions we need to know about, alert the leader or the sweep before the hike.
